Department for Perioperative Nutrition
Clinic for General Surgery
Military Medical Academy Belgrade, Serbia

ESPEN Career Achievement Award

Dear Professor Panisic-Sekeljic, dear Marina,

The ESPEN Executive Committee has the pleasure to inform you that ESPEN, the European Society for Clinical Nutrition and Metabolism, would like to acknowledge and honour your enormous and constant contribution to this society throughout so many years. You have served for ESPEN in different positions, as a Council member, a key person of the Adriatic Club, in guideline working groups, congresses, meetings, publications, and many other activities.

In addition, with your enthusiasm and your warm personality, you contributed in a significant way to making ESPEN become the friendly society it is today.

We would be very happy to learn that you will accept to receive the **ESPEN Career Achievement Award** on the occasion of the forthcoming ESPEN Virtual Congress 2020.

In order to prepare this important event we kindly ask you to provide a picture of yourself and a cv in advance. We are aware that due to the limitations caused by the COVID-19 pandemics the presentation of the ESPEN honors can not be performed in the traditional way. Therefore, we plan to catch up the official public ceremony during the next physical congress in 2021 in Milano, Italy.

With our warmest regards

Rocco Barazzoni
ESPEN Chairman

Matthias Pirlich
General Secretary

Zeljko Krznaric
Treasurer
